BE OUR CHAPEL PARTNER.

Would you like to be part of an enduring addition to North Canyon Medical Center? We are pleased to announce the construction of a new Chapel on the hospital campus, with fundraising support made possible by Friends of North Canyon Medical Center. The Chapel is custom built to match the existing North Canyon facility — featuring design elements and details unique to such a sacred space. The new space will be available 24/7 for use by patients, families, visitors and staff as a quiet sanctuary for prayer, meditation, and relaxation. The chapel will be conveniently located off the main corridor near the Emergency Room, Inpatient Unit, Operating Room and Cafeteria.

About the new Chapel:

- Located on hospital campus | 267 North Canyon Drive in Gooding
- Construction Starts | Spring of 2023
- Chapel size: 600sq ft
